(See Attached List of Clients) ("Claimant"), the holder of a Securities Claim¹ and a creditor in the chapter 11 bankruptcy cases (the "Chapter 11 Cases") of the above-captioned reorganized debtors (the "Debtors", or as reorganized pursuant to the Plan, the "Reorganized Debtors"), hereby submits this Notice of Joinder (the "Joinder") to Securities Lead Plaintiff's Objection to Reorganized Debtors' Motion to Approve Securities ADR and Related Procedures for Resolving Subordinated Securities Claims (the "Securities ADR Objection") in opposition to Reorganized Debtors' Motion to Approve Securities ADR and Related Procedures for Resolving Subordinated Securities Claims [Docket No. 8964] (the "Securities ADR Motion"). In support of this Joinder, Claimant respectfully states as follows:

## **JOINDER AND RESERVATION OF RIGHTS**

Public Employees Retirement Association of New Mexico's ("Securities Lead Plaintiff" or

"PERA") on September 28, 2020. Claimant joins the Securities ADR Objection in full, for all

The above-named Claimant hereby joins the Securities ADR Objection filed by the

2. In addition to all the reasons stated in the Securities ADR Objection, which Claimant hereby incorporates by reference and joins, Claimant underscores that Debtors' proposal outlined in their Securities ADR Motion is transparently unfair because it increases Reorganized Debtors' bargaining power for resolving the very wrongdoing for which they are accused, including by granting Reorganized Debtors inappropriate authority over the selection of, payment to, and submissions before proposed mediators. In the event that the Court adopts some form of ADR process, we believe it is imperative that the Court select a nationally-recognized mediator experienced in securities damages matters, who will be compensated by all parties. The unfair

and inefficient aspects of the present Securities ADR Motion are incurable.

<sup>&</sup>lt;sup>1</sup> Capitalized terms not defined herein shall have the meaning ascribed to them in the Securities ADR Objection (as defined herein) and the Securities ADR Motion (as defined herein), as applicable.

1	CONCLUSION
2	For all of the foregoing reasons, Claimant respectfully joins Securities Lead Plaintiff'
3	request that this Court enter an order denying the Securities ADR Motion, as well as granting
4	such other and further relief as may be just and proper.
